

Climate Change & Faith Conference

Diverse Topics for Diverse People

Hosted by Colorado Interfaith Power & Light

Friday, Nov. 13, 6:00 to 8:30 p.m. and
Saturday, Nov. 14, 8:30 to 5:00

At Spirit of Christ Catholic Community
7400 W. 80th Ave., Arvada CO

Sessions to meet all interests!

- Not sure about climate change? Science basics and latest update.
- Don't know what to do about it? Action oriented workshops—the basics and beyond, saving money while doing right for the planet, what congregations are doing, how and when to act politically.
- The connection with faith? All faith traditions identify care for Creation as a core value. Our spirituality sustains and motivates us to do what we need to do. Colorado Interfaith Power and Light is a broadly interfaith organization that embraces all faith and spiritual traditions, and espouses no particular tradition.
- Sixteen workshops to choose from, plus green exhibitors, videos, and resource tables.

Nationally known speakers!

- **Hunter Lovins**, President & founder of Natural Capitalism Solutions, shows businesses and governments how sustainability is good for business.
- **Rev. Canon Sally Bingham**, Pres. & founder of The Regeneration Project
- **Dr. Melinda Marquis, Ph.D.**, NOAA scientist, IPCC Participant

Complete details & online registration at
